Care Plan

Preventive dentistry is proven to be the very best way of reducing the risk of dental disease and it provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind, we have joined with DPAS Limited to design our dental plans to reward loyal patients. These plans will be administered by DPAS who will make a separate arrangement with you to manage your payments under a plan.

Our Care Plan reduces the need for future treatment and you will have the peace of mind that all of your preventive dental care will be covered by convenient monthly payments. It will allow us to plan your dental care more effectively and it provides you with the best chance of keeping you dentally fit. Our plan also provides worldwide Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf for more details).

WHO IS OUR PLAN FOR?

Our plan is designed for patients who wish to attend the practice on a regular basis and have peace of mind that their preventive dental care is covered.

WHO CAN JOIN OUR PLAN?

There is no need for an assessment. Joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS. In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

ANY QUESTIONS?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance. If you want to leave the plan for any reason you can do so by simply giving us one month's notice.
